### **Ways that we assist our clients:**

- **Learn to Earn Program** – LOT offers several classes to help our clients learn to manage their finances successfully. Our caring teachers mentor and coach with the goal of helping our clients become self-reliant. The current schedule of classes is available here. As a bonus, attendance at these classes earns points that can be used towards items in our LOTs of Treasures Thrift Shoppe.
- **Access to Community Resources** – We help our clients by providing access to places that supply groceries, clothing, mentoring, job coaching, basic skills training, soup kitchens, and some assistance with utility and rent bills.
