Dear Member of the Community,

Lot 2540 Inc. would like to invite you and your company or organization to partner with us to make a difference - for both the local community in Mayodan and for you!

We have a very important mission that we think aligns well with your own values and goals: to help the local community in Mayodan not with hand-outs, but with **help-ups**. It is not enough to simply provide temporary relief. We believe alleviating need involves a thorough approach that fosters self-reliance, physical and spiritual well-being, and a legacy of growth for future generations.

And we believe there is value for you in the success of this mission. As a local organization here in Rockingham County, you depend on the security and well-being of your community. Our clients can become your clients. You will thrive if they thrive, and the brand name of your company or organization can only be enhanced if it's recognized as a supporter of a worthwhile cause.

Enclosed please find our sponsorship brochure and response card. You'll find more information about us, our sponsorship levels and ways that you can contribute. Please feel free to contact me at any time with any questions you may have. Together, we can make a difference.

Warm Regards,

Martin Roberts
