Giving to LOT 2540

Major Gifts

LOT is always in need of large monetary gifts to grow our ministry and to continue making a difference in our community.

- **\$1,000** would help equip LOT's office and stores to run more effectively.
- **\$5,000** would purchase a much-needed illuminated street sign for the ministry.
- **\$7,500** would allow us to equip the Learn to Earn Program with much needed materials and classroom equipment.
- **\$15,000** would allow LOT to build classroom space with up-to-date technology for our Learn to Earn program and for coaching and mentoring opportunities. Specific items needed are high speed internet, 12 computers, tables, chairs, printers and audio/visual equipment.
- **\$25,000** would buy a pick-up truck and equipment for a lawn-service training program.
- **\$50,000** would allow us to build a teaching kitchen where our Learn to Earn Program could teach healthy cooking habits to our clients. It would also provide a much-needed space for the preparation of meals for The Well.
\$50,000 would allow LOT to hire a full-time credentialed, professional staff to meet the needs of clients. Having built the Phase I ministries, we are finding ourselves with many opportunities to have a deeper impact on our clients. To coach, teach and mentor them effectively, we must have experienced staff who are experts in spiritual and emotional counseling and are experienced in dealing with individuals and families in crisis.
